LETTER OF RECOMMENDATION
To Whom It May Concern,

It is a great privilege to write this letter of endorsement for **Mr. Nigus Muleta Mekuriaw**, an outstanding graduate from our **Department of Medical Laboratory Science**. As the Vice President for Academic Affairs, I have monitored his academic performance, scholarly discipline, and exceptional contribution to the academic environment at Woldia University. During his academic stay, Mr. Nigus consistently demonstrated intellectual strength, graduating with a remarkable **Cumulative GPA of 3.66 out of 4.00**. Beyond his mastery of medical laboratory sciences, he took on significant academic leadership roles within the student community. As the **Head of Academic Affairs for the Student Union (2017–2018 E.C.)** and previously as **Head of Public Relations (2016 E.C.)**, he served as a primary academic liaison, working directly with department heads, deans, and senior academic officials to address educational challenges, enhance learning resources, and streamline academic support for students.

Mr. Nigus was deeply committed to student mentorship and academic success. He provided academic advising and peer counseling to help students remain focused on their studies, encouraging academic discipline and maintaining a peaceful, conducive learning atmosphere on campus. His commitment to the national educational system is further evidenced by his service for **three consecutive years** as an exam administrator and facilitator for the Grade 12 National University Entrance Examinations hosted at our university.

In addition to his academic load, he proactively enhanced his professional competence through certified **Leadership Skills Training**. He also co-founded the university's **Health Insurance Club** and served as an active coordinator in the national **Youth Volunteer Service Association**, organized by the Ministry of Education and the Ministry of Peace.
Mr. Nigus combines high academic integrity, practical scientific knowledge in laboratory medicine, and strong student advocacy. I am confident that his solid educational foundation and leadership capability will enable him to excel in any professional, research, or postgraduate academic endeavor.

I give **Mr. Nigus Muleta Mekuriaw** my highest recommendation for graduate studies, research fellowships, and professional opportunities in his field.

Sincerely,

Marye Belete Alemayehu (Ph.D)

LETTER OF RECOMMENDATION

ToWhomItMayConcern,

It is my distinct pleasure to write this letter of recommendation for **Mr. Nigus Muleta Mekuriaw**, an exceptional and highly accomplished graduating student from the **Department of Medical Laboratory Science** at Woldia University. In my capacity as the Vice President for Administration and Business Development, I have closely observed his remarkable leadership. institutional commitment, and service to our university community.

Mr. Nigus has played a pivotal role in student governance throughout his tenure at Woldia University. He served with remarkable dedication as the **Head of Public Relations Affairs** for the Student Union in 2016 E.C., and subsequently as the **Head of Academic Affairs** from 2017 to 2018 E.C. In these leadership positions, he served as a crucial bridge between the student body and the university administration—connecting students with mid-level and senior executive officers—to ensure academic and campus challenges were addressed promptly and constructively. Beyond his union leadership, Mr. Nigus demonstrated visionary initiative by co-founding and actively serving as a member of the university's **Health Insurance Club**. His civic commitment extends nationally through his coordination work with the **Youth Volunteer Service Association**, organized jointly by the Ministry of Peace and the Ministry of Education. Additionally, he demonstrated a strong work ethic by serving for **three consecutive years** on the exam facilitation committee during the Grade 12 National University Entrance Examinations hosted on our campus.

Complementing his formal duties, Mr. Nigus actively sought personal and professional development by completing certified **Leadership Skills Training**. He consistently applied these competencies on campus by mentoring fellow students, guiding them to stay focused on their studies, and providing counseling to prevent behavioral issues and foster a peaceful campus environment.

Academically, Mr. Nigus has demonstrated high distinction, completing his degree in **Medical Laboratory Science** with an impressive **Cumulative GPA of 3.66 out of 4.00**. His exceptional balance of rigorous scientific education, proactive leadership, and proven administrative capability makes him an outstanding candidate.

I extend my full and unreserved endorsement to **Mr. Nigus Muleta Mekuriaw** for any professional opportunities in his field, healthcare leadership roles, fellowships, or postgraduate study programs.

Sincerely,

Belay Mengiste Addisu (Phd)

To Whom It May Concern

Letter of Recommendation

It is with great pleasure that I write this letter of recommendation for **Nigus Muleta Mekuriaw,** one of my former undergraduate students in the Department of Medical Laboratory Science, College of Health Sciences, and Woldia University.

I have known **Nigus Muleta** throughout his BSc studies, during which he consistently demonstrated strong academic ability, discipline, and dedication to learning. He was an active participant in theoretical and practical sessions, showing remarkable skill in laboratory techniques, problem-solving, and critical thinking. His curiosity and eagerness to explore new knowledge set him apart as one of the most engaged and promising students in his class.

Beyond his academic performance, **Nigus Muleta** is a responsible, hardworking, and collaborative individual. He actively contributed to group projects, supported his peers in academic discussions, and maintained excellent professional conduct. His ability to balance academic responsibilities with extracurricular activities reflects his commitment and time-management skills.

I am confident that **Nigus Muleta** possesses the intellectual capacity, practical skills, and personal integrity to excel in any advanced academic or professional opportunity he pursues. He will undoubtedly make meaningful contributions to both his field of study and the institution he joins.

Therefore, I strongly recommend **Nigus Muleta** or further studies, scholarships, or professional positions related to his field. Please feel free to contact me for any additional information.

Sincerely,

Getinet Kumie

To Whom It May Concern,

Subject: Recommendation Letter

It is my distinct pleasure to write this recommendation for **Mr. Nigus Muleta Mekuriaw**, an outstanding graduate of our Medical Laboratory Science program. Having supervised him throughout his academic and clinical training, I can state without reservation that he is one of the most exceptional students I have encountered.

Throughout his studies, he demonstrated a combination of academic and interpersonal skills. Whether collaborating with peers, engaging with faculty, or communicating with hospital staff. he conducts himself with professional maturity and high self-esteem. His clinical competence is particularly noteworthy. During his rotations, he consistently displayed mastery and the full continuum in parasitological hematological, immunological, clinical chemistry and microbiological tests effective patient interaction, showing deep empathy and clear communication in high-pressure hospital environments.

Furthermore, he has excelled in community-based practices, including Community-Based Training Programs and Team Training Programs. These experiences have polished his ability to address health challenges at the grassroots level and work effectively within multidisciplinary teams. Beyond his clinical skills, he possesses strong critical thinking abilities and basic computer proficiency, which he applies effectively to research and data-driven decision-making. His leadership potential is evident; he naturally takes initiative and organizes tasks with a level of reliability that is rare in a junior professional.

In summary, he is a well-rounded professional who combines clinical excellence with a strong sense of responsibility and leadership. I recommend him for any academic pursuit or professional role related to his profession with the highest confidence. He will undoubtedly be a valuable asset to your institution.

Sincerely,

Assefa Sisay (MSc, Medical Microbiology)
